# STUDENT DRESS CODE

# CALOUNDRA STATE SCHOOL

Caloundra State Primary School is a strict uniform school. We have the support of our Parents and Citizens' Association and ensure alignment with section 364 & 365 of the Education (General Provisions) Act 2006. The Student Dress Code provides for the following:

- Standards of what is acceptable in relation to the clothing worn by the students, including headwear and footwear;
- Standards of what is acceptable in relation to other aspects of the personal presentation of the students.

Parents consent to uphold our student dress code when signing their enrolment agreement.

Our student dress code consists of an agreed standard and items of clothing. This includes a school uniform that Caloundra Primary students wear when:

- attending or representing their school;
- travelling to and from school; and
- engaging in school activities out of school hours.

Caloundra State Primary School has a dress code because it believes that a student dress code provides clothing that aims to contribute to a safe and supportive teaching and learning environment through:

- incorporating recommendations of the Queensland Cancer Council Sun Safe clothing guidelines
- ready identification of students and non-students at school
- fostering a sense of belonging
- developing mutual respect among students by minimising visible evidence of economic or social difference
- Promotes an effective teaching and learning environment by eliminating the distraction of competition in dress and fashion at the school

Caloundra's student dress code reflects school community standards and is consistent with occupational health and safety and anti-discrimination legislation.

Parents/caregivers will be notified by letter that their child is not complying with the Student Dress Code.

*To cater for all students at our school, the uniform consists of a variety of items that can be mixed and matched along with unisex items that both male and female students can choose to wear.*
